Attention Student

Your school is a member of the Florida High School Athletic Association (FHSAA) and follows established rules. To be eligible to represent your school in interscholastic athletics, you:

1. Must be regularly enrolled and in regular attendance at your school. If you are a home education student or attend a charter school that is not a member of the FHSAA, you must declare in writing your intention to participate in athletics to the school at which you are permitted to participate prior to the first day of practice. Home education students must be approved by the FHSAA office prior to any participation. (FHSAA Bylaw 9.2)
2. Must enroll in school within 10 days of the beginning of **each semester** to be eligible during **that semester**. If not, you must make up all work missed and be in attendance a minimum of one day for each day missed due to late enrollment before your principal can declare you eligible. (FHSAA Bylaw 9.2)
3. Must maintain a cumulative 2.0 grade point average on a 4.0 unweighted scale through the end of the previous semester as required by Florida Statutes. This GPA must include all courses taken since you entered high school. For sixth graders, seventh graders and eighth graders, you must have been regularly promoted from the previous grade, carry a normal class load, do satisfactory classroom work and maintain a satisfactory conduct record. (FHSAA Bylaw 9.4)
4. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 9.4)
5. Must participate at the school in which you first enroll, or at which you first take part in an athletic practice, at the beginning of the school year. (FHSAA Bylaw 9.2)
6. Must transfer from your previous school prior to the first day of practice. If you transfer on or after the first day of practice in a sport you cannot participate in that sport. If you transfer from a school at which you were ineligible because of disciplinary action or unsatisfactory conduct, you will be ineligible at your new school for one full semester. If you participate on a non-school team (i.e., AAU, American Legion, club setting, etc.) which is affiliated with or coached by a coach from a school other than the one you attend, or have attended, and then transfer to that school, it will be assumed you have been recruited to attend that school or transferred to that school for athletic reasons and you will be ineligible there for one year. If you transfer to a school that your coach has relocated to within the past year, it will be assumed you transferred to that school for athletic reasons and you will be ineligible there for one year. (FHSAA Bylaw 9.3).
7. Must not have **enrolled in the ninth grade for the first time** more than four school years ago. If you are a sixth grader, seventh grader or eighth grader, you must not have participated in an earlier school year in the grade in which you are currently enrolled. (FHSAA Bylaw 9.5)
8. Must be less than 19 years 9 months old to participate in high school; 16 years 9 months old to participate in junior high school; and 15 years 9 months old to participate in middle school. On the day you reach one of these ages – regardless of when that day is – you become ineligible to participate on that level. (FHSAA Bylaw 9.6)
9. Must get signed permission to participate from your parents or guardian on a form provided by the school. (FHSAA Bylaw 9.8)
10. Must undergo a preparticipation physical evaluation and be certified as being physically fit for participation in interscholastic athletics (form EL2). The physical evaluation is valid for 365 calendar days from the date that it was administered after which time you must successfully undergo another physical evaluation to continue your participation. (FHSAA Bylaw 9.7)
11. Must be an amateur. This means you must not accept money, gift or donation for participating in a sport, or use a name other than your own when participating. (FHSAA Bylaw 9.9)
12. Must not participate in an all-star contest in a sport prior to completing your high school eligibility in that sport. (FHSAA Policy 26)
13. Must display good sportsmanship and follow the rules of competition **before, during and after** every contest in which you participate. If not, you may be suspended from participation for a period of time. (FHSAA Bylaw 7.1)
14. Must not provide false information to your school or to the FHSAA to gain eligibility. (FHSAA Bylaw 9.1)
15. Foreign exchange and international students must be approved by the FHSAA office prior to any participation. (FHSAA Policy 17)

If you are declared or ruled ineligible for violation of any one or more of these rules and you do not agree with the decision, you have the right to request that your school file an appeal on your behalf. If you violate one or more of these guidelines because of an unforeseeable, unavoidable condition or event which places a severe burden upon you or your family and are declared or ruled ineligible because of that, you have the right to request that your school file a request for an undue hardship waiver of the rule or rules on your behalf. See your principal, athletic director or coach if you believe one of these two situations applies to you.
